

LEADS VS. DOUBLED SLAM CONTRACTS (according toKantar)

1. If partner has bid and later doubles a VOLUNTARILY bid slam, do NOT lead partner's suit (the normal lead) and do NOT lead a trump. Partner's double shows either:

- 1) a void (the most common reason).
- 2) A desire for a lead in dummy's 1st bid suit
- 3) the AK of one of Declarer's bid suits

2. If partner has NOT bid and later doubles a VOLUNTARILY bid slam, do NOT lead the unbid suit. (That would be the normal lead.) Partner's double either shows:

- a) a side suit void
- b) a desire for the lead of dummy's first bid suit

3. Doubles of NT slams usually ask for dummy's 1st bid suit.
